**This book was made for The Work Office (TWO)**

**[www.theworkoffice.com](http://www.theworkoffice.com)**

This book highlights some of the businesses on 5th Avenue between 22nd and 21st.

I recently moved to South Park Slope in Brooklyn, NY. I love being able to walk to the local stores and the idea of becoming a familiar face at these places.

I was excited to begin my project, a travel guide for my block, for The Work Office. It allowed me to learn about my new neighborhood in a short time.

I want to thank the businesses and everyone who took time out of their busy day to answer my questions and helped me with making this book. I greatly appreciate it. It was a pleasure meeting you and I look forward to seeing you again.

As a thank you, each business featured here will receive an editioned 2009 Travel Guide for 5th Avenue between 22nd and 21st streets.
